For those who are not aware, I am going on leave to partake in my retirement trip to Europe, even though the retirement is still to happen. I will be gone for the rest of Term 2 and the first two weeks of Term 3. Janelle Urbanavicius will take on the Relieving Principal role and Peter Clark will step up to Relieving AP in the junior section of the school. Ellen Clarkstone is looking forward to all the joys of working with Janelle’s class over this time. She has spent some very worthwhile hours with the class over the last couple of weeks to familiarise herself with the students and they with her. Thanks Ellen.

Jaz Seymour is our WOW of the Week
Jaz is now happily participating in most class activities.
Keep up the great work Jaz!

WOW!
Some classes have also read some other books by Aaron Blabey and they are HILARIOUS! Try reading ‘Pig the Pug’, ‘Pig the Fibber’ and (if you’re game!) ‘The Dreadful Fluff’. A lot of us LOVE these books! Aaron Blabey is a very cool author.

Wednesday was National Simultaneous Storytime across Australia, so like thousands and thousands of others, we read ‘The Brothers Quibble’ by Aaron Blabey. **What a great book!**
