Before:

This week we said goodbye to our old junior playground and hello to the beginnings of our new look area. There was a great deal of interest and enthusiasm each morning as the big machines came to take away the slide and the sandpit. Sadly, we need to live with a bit of an empty patch for a little while before the new equipment goes in soon.

Beanie Day / Pirate Day

Today the school raised just over $100 to raise awareness for brain cancer. The Junior school was full of pirates and cabin boys, while the Senior school was sporting some warm, colourful beanies.

Abbey Kaletta is our WOW of the Week

Abbey has improved her writing by using more describing words. She is checking and editing her work to a high standard. Abbey is showing more confidence in all aspects of writing and writing longer paragraphs. Well done Abbey!!

WOW!
Friday in 11/12M is a great way to finish the week. Not only do we make something delicious but we also get to spend time in the library with Rosie. This term we have been making hot food to combat the winter chills including tacos, sausage rolls and hamburgers. Tristan attends TAFE every Friday and makes a variety of different dishes that he can take home to share. Billy is excited to decorate our new cow. We have been working very well this term with some of our students not only receiving class awards but also library, sport and respect awards.
