Sick Kids
After yet another wet and miserable week, I am back with the same rant and rave.
If your child is sick, do not send them to school. Please think of others.
We will call you to pick up your child if we believe they are miserable within themselves, and/or a threat to the health of others.
One child’s ‘lie on the couch and watch TV’ illness is another child’s ‘week in hospital’ illness. Please think of others.
When the weather is wet the kids spend all day closed up in the warm classrooms and the germs have free access to everyone’s chest and lungs. Please think of others.
If your child is sick enough to need a return trip to the doctor, they are sick enough to be kept at home. Please think of others.
Thank you to those parents who are vigilant with this. We really do understand that it is difficult for you, but be assured you have the appreciation of the rest of our school community.
To finish the rave … sick kids are miserable at school. Please think of them.

Playground Update
Due to the ongoing wet weather the P&C is beginning to be concerned about the completion date for the playground. To this end they have decided to postpone the Opening Celebrations until a later date in Term 4, probably around the end of October.

Merit Selection Training
We are looking to have reason to convene panels for the merit selection of replacement staff members over the next few months. These panels need to have a parent representative on them.
To this end, we are asking for expressions of interest from our parent body. It would mean getting together one afternoon in the next week or so to complete the online training and then quite a lengthy time commitment to complete the job. If you would like the opportunity to be a part of this team, please give us a ring and we can make the necessary arrangements. We can train anyone who is interested but only one parent rep would sit on the panel. If there is more than one person interested, the P&C would be asked to vote, to choose a representative. I hope this all makes sense.

Wendy

Please keep sick children at home and don’t be offended if we ring you to pick them up.

We are a ‘Nut Aware’ school. Please do not send food to school that has nuts. This includes Hazlenut spreads.
